HEADTEACHER'S NEWS

Open Evening 2016

I want to extend my thanks to all the students who came along to our Open Evening last Thursday. They were fantastic ambassadors for the school both by helping in departments and also providing guided tours to the parents and students who came along. The evening itself was a huge success and we had our highest number of visitors ever. It was another occasion when I felt extremely proud of what JRCS stands for and what we have achieved over the past 14 years. Many thanks to all staff and students for their contribution to such a successful evening.

Twitter

I am delighted to welcome a new addition to the JRCS Twitter family! The English Department have recently established their own Twitter feed joining Media, Dance, Castle Green, DT & Food, PE, Business, Smarties Science Club and the Sixth Form

GENERAL NEWS

Important Information for the parents/carers of Year 9 students

As you will be aware **all** students are required to have a valid Passport and European Health Insurance Card (EHIC) for all European school trips abroad **including** day trips. As Year 9 will be visiting Ypres, Belgium in October 2016, this notice is to give you advance warning that your son/daughter will need to bring these documents into school for photocopying by Friday 7th October 2016 in order to participate in this trip. The EHIC card is free and is valid for five years. If your child does not already have an EHIC card, please apply:

- On-line www.ehic.org.uk (Please use this website address. We have been advised to inform you not to Google EHIC as the official website may not be the first link to

appear and other websites for EHIC may charge for the card!) or

- by calling 0845 606 2030, or
- by picking up an application form from the Post Office.

In order to apply please ensure, you have the NHS or National Insurance Number, Surname/Family Name, Forenames and Date of Birth of each applicant.

Note: If we received a copy of your child's passport/EHIC whilst they were in Year 7 for the trip to France in July 2015 and these are still in date we DO NOT need to see them again.

Food Ingredients:

Can all students please remember to collect their food products and any ingredients they have not used at the end of the school day. Often a large amount of ingredients are left and ultimately wasted. Unfortunately, we do not have the space or facilities to keep these for long periods of time. Any ingredients left for more than 24 hours will be disposed of.

Thank you for your support in this matter.

Head of Faculty (Food & DT)

PDE/PSHE Department Education Programme

For eight sessions throughout the academic year students in Year 10 will learn more about health education including sex and drugs education. Students will be educated around relationships, decision making, how to recognise and manage risk, contraception and STI's. If you have any questions, please feel free to contact me.

Miss Hector
Head of PDE/Citizenship

Sports Leaders in Year 10

Thank you very much to all the families who have made the £30 payment for the award registration fee and sports leaders shirts. Unfortunately, there are also a large number of these payments that have yet to be made. Please can you ensure that your payments are credited by the end of September. If you have applied for a bursary – please pay the amount that you can afford to pay towards the £30 payment and Ms Montague will be in touch to confirm your bursary. Shirts will then be ordered during the first week of October and should arrive by the week after half-term.
