GENERAL NEWS

Student Voice Elections 2016

Despite a delay in the election day, the event was well supported with representatives from all years in every Action Team.

Staff support and student election fever meant that our students once again understood the importance of getting up, getting out and voting in their own elections.

All successful candidates will begin their time in office after a half day training this Wednesday and will represent their peers in ensuring that their voices are heard across a wide range of social and school issues.

A huge well done to those who ran successful campaigns. Now the hard work begins!

Sports Leaders Polo Shirts

Many apologies to parents and students for the wait for these items this term. I know many were paid for right at the start of term, however, many have only just been paid for in recent weeks causing the delay in making the order. We also had to use another supplier due to the fact that our original supplier no longer stocked the items we required. The shirts were delivered this week, so if you haven't done so already you can collect yours from Ms Montague on Wednesday 16th November at break time in the Sports Hall. Please note that if shirts were not paid for by the extended deadline of Monday 31st October they will not be available. Parents and carers yet to make their payment should make the £20 registration fee (reduced from £30) as soon as possible.

Many thanks,

Ms Montague
PE Teacher
