## Happy Easter

### From all at JRCS

#### HEADTEACHER'S NEWS

##### Happy Easter

I want to take this opportunity to wish everybody in the JRCS community a very happy Easter break. It feels like the last two terms have flown by as we approach the final run up to the Summer term exams, events and trips.

I hope that as many students as possible in Years 11, 12 and 13 are able to come along to our Easter Revision School over the next two weeks. Details of the subjects running sessions and the times and dates they are being held on are contained within this edition of The Seagull and can also be found on our school website.

I hope you all have a great holiday and I look forward to seeing you at the start of the Summer term.

Mr Smith  
Headteacher

#### GENERAL NEWS

##### Sixth Form Parents' Evening

There is a Sixth Form Parents' Evening on Tuesday 25<sup>th</sup> April, straight after the Easter break. We hope that parents and carers will be able to come and meet subject teachers to discuss progress and achievements. There is a bus service between the consortium schools and students will be given all the details. I look forward to seeing you there.

Mrs Wren  
Director of Sixth Form

##### Women in Physics Trip

On the 28<sup>th</sup> March, 10 physics students from Year 10 attended a Women in Physics workshop at Imperial College. Students engaged with inspirational talks from leading researchers on topics including the search for dark matter, working in industry and studying planet formation at PhD level. Along with intriguing experimental demonstrations, students were encouraged to ask the big question about how the universe works and to take the challenge of studying physics at higher levels. Find out more at <http://www3.imperial.ac.uk/events-listing/physics>

Teacher of Science

##### Year 11 Prom / Year Book

As we come to the end of our time in Year 11, I would like to inform you about two ways to help celebrate our time so far at JRCS and the hard work that has been done by the students in preparation for their GCSE exams.

Our Year 11 Prom will be held on Monday 3<sup>rd</sup> July at Orsett Hall, Essex. The event will start at 6.30pm, the overall cost of the prom ticket is £41.00. At this stage we are asking for a deposit of £15 to be paid via ParentPay to secure your son/daughter's ticket. Please ensure you return the reply/permission slip and pay the deposit as soon as possible.

There will also be a Year Book to share our memories of the last five years. The Year Book will include lots of pictures (including Prom photos) and messages from staff the cost for this is £15.00.

This is a fantastic opportunity for your son/daughter to celebrate the end of their time at JRCS and has proven to be a very popular event in previous years.

I look forward to seeing them there.

Mr Newport  
PE Teacher and Head of Year 11

### **KS3 Spelling Bee Grand Finale**

Over the past few weeks, form classes have been working on literacy skills in preparation for our yearly 'JRCS Spelling Bee' championships. Competition was fierce from the outset this year as students in Years 7-9 fought to become their class champion and progress on to the year-group finals.

Last Friday lunchtime, each form champion competed until we had a winner from each year group who would move on to the live final. Najeeb Ahmed (Year 9) was heading for a hat trick this year (after spelling his way to the top in the previous two years' championships), and his strength in spelling was clear from the get-go.

The live final, in front of the whole of KS3 in assembly on Tuesday, was a tense affair. Iteli Mulumba Ntambwa (Year 7), Shannon Woodhouse (Year 8) and Najeeb Ahmed (Year 9) faced the crowd with confidence but, alas, Najeeb's knowledge of phonetics was too strong.

Well done Najeeb, three-in-a-row!

Who will take the c-r-o-w-n next year?

Mrs Dickson  
English Department

### **Maths Student of the month – March**

Every month, Maths teachers nominate their student of the month from each class. Students receive a certificate and then a randomly selected overall winner from each year group wins a prize. The overall winners this month are:

Sixth Form – Magdalena Derlukiewicz  
Year 11 – Semanur Duyar  
Year 10 – Evita Ahmed Hussain  
Year 9 – Catarina De Jesus  
Year 8 – Jimmy Hunt  
Year 7 – Mia Ribbons

Well done to all nominated students, and a particular well done to the overall winners above!

Mrs Morris  
Director of Learning - Maths

### **Instrumental Lessons**

Please be aware that instrumental lessons begin again from the first Wednesday back of the Summer term. If you have not yet been given a new timetable, see Miss Ford in the first week back or check your times on the board as you enter the Music Department. Please also remember to take your instruments home to practice.

Happy Easter!

Music Department
