HEADTEACHER'S NEWS

Thank you!

We are rapidly approaching the end of another fantastic year at JRCS. I want to take this opportunity to thank all my staff for the high level of support, care and guidance they give to all the students at the school. They are a marvellous group of people who are always willing to go the extra mile to give our young people the very best.

I hope that all members of the JRCS community enjoy a peaceful and restful break and I look forward to seeing you all in September.

Our Hollywood themed fete turned out to be a fantastic success. The hot weather ensured that hundreds of people came along to support the event which was held last Friday afternoon. I would like to say a big thank you to everyone for their support.

All the money raised will go straight into our Student Fund to enable the young people at JRCS to have access to all the opportunities we are able to offer them. I would particularly like to thank two members of staff, Mrs Richardson and Miss Wright, for the work that they put into making the event such a success.

ACHIEVE Days Trips and Visits Programme

Please see page 4 of this edition of The Seagull for all the details regarding next weeks' trips. If you have any queries regarding the trips, please contact your child's Head of Year as soon as possible.

Year 10s and Year 11s find out more about Sixth Form

We have recently had an assembly for Year 10 students and a parents meeting, both explaining more about the Sixth Form. We have enjoyed sharing our successes with students and parents. Year 10 students are also getting a taste of Sixth Form lessons in the next few days.

The Year 11 students have had Sixth Form induction. The teachers were delighted to welcome so many Year 11 students preparing for the Sixth Form next year. The attitude of the students was very positive and they enjoyed induction lessons. We were joined by other students from the whole consortium for activities. It was a very warm but everyone took up the challenges and enjoyed themselves. In August, we talk to all the students in individual meetings and get ready for another successful year!

Mrs Wren
Vice Principle – Southern Consortium

Times Tables Rockstar Wrangler 2017

On Friday 7th July, six aspiring mathematicians headed to South London to compete against 150 other students from across the South of England in the Times Tables Rockstar competition. The students aimed high but on this occasion were not able

to win the top prize of a helicopter flight across London.

The students were praised for their efforts and told they are now outstanding Maths ambassadors and to return to school and spread the positivity of Maths.

The six students were: Rhianna Mutyaba, Daniel Oduniyl, Mariyah Tufael, Jak Newman, Ella Hunt and Sammi Lai.

Library Books

All students must return Library books before the end of term. If letters home and/or reminders concerning returning library books have been received, and a book cannot be returned then the £5 library fine needs to be paid via ParentPay.

Please support the running of the school library and return library books or pay the fine. Thank you to every student and parent who continues to support the library, it is very much appreciated.

Wishing you all a great summer break.
