HEADTEACHER'S NEWS

Happy New Year

I want to wish all members of the JRCS community a very happy and prosperous new year. It feels very strange to start our spring term on a Thursday however, I was delighted to see the students return to school refreshed and ready for work yesterday.

An important date for Year 11 parents is Thursday 17th January when we will be holding our Parents' Evening in Boothroyd Hall from 4:00pm – 7:00pm.

Congratulations to our first Gold Seagull winner of 2017-18, Maisie Lethbridge 8G.

GENERAL NEWS

Fire Cadets

Ryan Smith, along with four other Year 8 boys, has started attending the fire cadets. I asked Ryan to write a few words on how the first night went and here is what he said:

"The fire cadets was really good, even though it was my first time going, I learnt so much from that one encounter. First, we got put into 'watches', which are our teams. There are four different watches, red, white, blue and green. I am the white watch. Next, we got measured up so that when we all go back on the 11th, we will have an outfit ready so we represent the London Fire Brigade. We also went outside to learn our routine that we are going to do every Thursday evening. I think that this is going to push everyone who does this to their limit and even more if they're lucky. But I think I'm ready for anything that they throw my way. There is going to be a lot of hard work they are probably going to be very strict, so that they can get us to the high standard that they want us to be at. Also, they went around the class to ask what we want out of this experience and I said to learn the risks involved in working for the fire service and how to overcome them."

Well done Ryan for committing yourself to a great opportunity, just another way that Year 8 are thinking big!

William Morris Gallery Visit

On Wednesday 13th of December 2017 the Art Department took 20 Year 9 students to visit the William Morris Gallery in Walthamstow. The gallery is a fantastic space to get closer to the life and works of

this highly inspirational man and our students enjoyed this hands on experience of being in the actual mansion he used to reside in, with lots of opportunities to interact with materials, videos and objects. As part of the visit students were taught by a professional artist about printing processes and were given the opportunity to create their own unique prints. The experience has certainly enhanced their study of Morris' designs in the classroom and will now inspire them to create their own repetitive designs in January.

Sixth Form - First Give

All the Year 12 students took part in First Give last term. This programme helps students get involved with their communities and with local charities. Each tutor group chose a charity and they did some fund raising or awareness raising in school. As well as this, they learnt some presentation skills as they put together bids to win £1000 from the Jack Petchey Foundation for their chosen charity. The four charities we supported this term were Mitchell's Miracles, Refuge, Sane and Time to Talk.

We held class finals where every student presented their bid in front of their group and two members of staff. From each tutor group one set of students went forward to the school final, which was held after school just before Christmas.

The school final was a great success. We were joined by Governors, parents and staff to watch four high quality presentations, and the judging panel found it very difficult to choose a winning group. After the judges'

deliberations Sabrina Asrafova, Laurent Brandao and Jessica Smith were victorious for Sane with Naseemah Amina, Amine Aweis, Angel Churchward and Charlotte Pearson for Mitchell's Miracles a very close second. The other finalists were Hanan Abdulhamid, Jamie Adekeye, Margaret Adesunloro, Lauren Tooze and Emilijla Vanagaite.

I would like to thank the four members of staff who have led the tutor groups as they prepared, Mr Coupland, Mr Hinchliffe, Miss Simpson and Miss Tasneem.

I was very proud of all the students and look forward to the Southern Consortium First Give final at the end of January when the Sane group will bid for £500 against the winning teams from the consortium.

Courtroom insight!

Last week, our Year 13 Sociology class visited the Old Bailey, where we gathered an insightful viewing of two murder trials. We were able to see the events of the courtroom, and the intricate details and evidence that is accumulated into reaching a verdict. Through taking this opportunity we were able to relate what we saw to our studies of crime and deviance and our understanding of convictions, prosecutions and trials in particular. It also enabled us to reflect on what we read in our textbooks and the media's representation of the criminal justice system, it was also highly beneficial to witness a trial as we gained real life understanding of the process. The trip was therefore highly valuable as we gained a deeper knowledge of the consequences of crime and the repercussions it has on our society.
