

My name is Sarah Singleton and I am the new Deputy Head Girl.

I thoroughly enjoy watching and participating in sport. I particularly enjoy swimming as I was part of a swimming team a few years ago; which gave me an amazing opportunity to compete for my borough in the Olympic Aquatics Centre.

For around 8 years now I have been a part of Girl Guiding UK, where I started at 7 years old as a Brownie then I moved up to Guides at the age of 10. Now at 15, I have recently proceeded onto the Senior Section. Being involved in Girl Guides, where I have achieved the Jack Petchey award, has allowed me to make some great friends and has

given me the opportunity to partake in many activities and events that I wouldn't have had the chance to otherwise.

Throughout my time at JRCS so far, I have really enjoyed school and wouldn't have my experience any other way. I have achieved the Gold Seagull four academic years running and hope to go for my fifth in my final year here. I have also been awarded the Platinum ranking several times. I have always been interested in helping people around me and being a representative for school, so being Deputy Head Girl is an honour of mine as it means that I can do both of these things.

And of course like a "typical girl" I love shopping and always like to see the latest fashion.
