

EPQ

So, what do I have to do?

- Devise, design and plan the project
- Research, select, organise and use information and resources
- Analyse data, apply findings and demonstrate understanding of any links, connections and complexities of the topic
- Select and use a range of skills to carry out the project and achieve planned outcomes
- Engage in extended academic project writing
- Evaluate the project outcomes in relation to stated objectives and own learning and performance
- Present the project using a choice of communication skills and media
- Reflect on your performance and outcomes

How will I be assessed?

There are 4 assessment objectives (AO's) on which your work is assessed:

AO1 – Manage the project

This is worth 20% of the marks. Marks are awarded on your ability to identify, design, plan, and complete the individual project, or task within a group project, applying organisational skills and strategies to meet stated objectives.

AO2 - Use Resources/Research

This is worth 20% of the marks. Marks are awarded on your ability to obtain and select information from a range of sources, analyse data, apply relevantly, and demonstrate understanding of any appropriate links, connections and complexities of your topic.

AO3 - Develop and Realise the project

This is worth 40% of the marks. Marks are awarded on your ability to select and use a range of skills, including new technologies, to solve problems, to take decisions critically, creatively and flexibly, and to achieve planned outcomes.

AO4 – Review the project

This is worth 20% of the marks. Marks are awarded on your ability to evaluate outcomes including own learning and performance. Select and use a range of communication skills and media to convey and present evidenced outcomes and conclusions.
