

Hi, my name is Jennifer and I'm head girl.

When I was given the position of head girl I was filled with joy. It's a great opportunity to help people and represent Jo Richardson- a school that has done so much for me.

My time here at Jo Richardson has been filled with many blissful memories. Such as being part of the student voice hospitality team, getting the Jack Petchey award, and being part of the rounder's team for four consecutive years. I've also managed to attain the golden seagull for four years running, and the double golden seagull for 2 years running.

I thoroughly enjoy drama; therefore, I chose it as one of my GCSE subjects. I also enjoy reading, especially the fiction genre.

In the future, I intend to travel to as many places as possible and follow a career in social psychology.

I love to use quotes for motivation, my favourite quote was said by Vincent Van Gogh "Normality is a paved road: it's comfortable to walk, but no flowers grow on it".
