HEADTEACHER'S NEWS

Sixth Form

Following our very pleasing GCSE results this Summer, I am delighted to be able to say that the number of students who have joined us in Year 12 is one of the highest we have had in many years. These numbers also reflect the excellent examination results that were achieved by last year's Year 13 students. Our pass rate, grades and Average Point Score put us at the top of the boroughs statistics and above the national average on most of the key indicators.

I would like to wish all our new Year 12 students, both from JRCS and other schools, the very best of luck with their studies over the coming two years. I am sure they will achieve great things and make a very positive contribution to the life of the school.

Parent Governor Vacancies

We will have two vacancies on our Governing Body for Parent Governors, one commencing 9th November 2018 and one commencing 5th

March 2019. Nomination forms were sent home last week with your child, but please contact the School Office if you need a further copy. If you would like to contribute to the work of your son/daughter's school, please complete and return the form to the School Office by 4:00pm on Monday 8th October.

GENERAL NEWS

Important Information for the parents/carers of Year 9 students

As you will be aware all students are required to have a valid Passport and European Health Insurance Card (EHIC) for all European school trips abroad **including** day trips. As Year 9 will be visiting Ypres in October 2018, this notice is to give you advance warning that your son/daughter will need to bring these documents to school for photocopying by Monday 1st October 2018 (these will be securely shredded after they have been logged). In order to participate in

this trip. The EHIC card is free and is valid for five years. If your child does not already have an EHIC card, please apply:

- On-line www.ehic.org.uk (Please use this website address. We have been advised to inform you not to Google EHIC as the official website may not be the first link to appear and other websites for EHIC may charge for the card!) or
- by calling 0191 218 1999, or
- by picking up an application form from the Post Office.

In order to apply please ensure, you have the NHS or National Insurance Number, Surname/Family Name, Forenames and Date of Birth of each applicant.

Note: If we received a copy of your child's passport/EHIC whilst they were in Year 7 for the trip to France in July 2016 and these are still in date we DO NOT need to see them again.

KS3 Science Competition

Students in Year 7, 8 and 9 are being challenged to come up with an effective idea to let people know about superbugs and how to stop them. Superbugs are strains of bacteria that have become resistant to antibiotic drugs. How students choose to communicate the idea is up to them e.g. a poster, song, poem, storyboard, event plan etc.

The winning entrants will be invited along with their class to attend a prestigious event, as well as other fantastic prizes! The runners up will win a Pfizer experience for their class. For more information please contact Miss O'Neill in SC11.
