

## The next steps

Once students have gathered all of the required information they may decide that they want to look outside of the school.

### **Further Education Colleges**

There are lots of Further Education (FE) colleges in this area. They regularly have open days where you can visit and find out more information about the available courses.

The main providers and links are listed below

Barking & Dagenham College

<http://www.barkingdagenhamcollege.ac.uk/>

<http://www.elutec.co.uk/admissions/>

**HAVERING COLLEGE**  
of Further & Higher Education

<http://www.having-college.ac.uk/>

<https://www.redbridge-college.ac.uk/>

Epping Forest

<http://www.efc.ac.uk/>

<http://excellencelondon.ac.uk/>

Writtle College

<http://writtle.ac.uk/>

Capel Manor

<http://www.capel.ac.uk/>

## **Apprenticeships**

Students can begin an apprenticeship at the end of Y11, Y12 or Y13.

It is a form of on the job training where they work towards a qualification in a vocational area at the same time as being paid. As an apprentice they would usually work for 30 hours each week and be paid the national minimum wage.

Students really need to do their research before starting an apprenticeship. Here is a summary of where they should start:

Step 1 – Register with <https://www.gov.uk/topic/further-education-skills/apprenticeships>

This website is produced by the Government and it answers all of the key questions you may have.

Step 2 – Visit careers box [www.careersbox.co.uk](http://www.careersbox.co.uk) and click on the careers mail tab

Once registered they will send out the most appropriate vacancies. There are also some really useful resources on this page.

Step3 – Decide upon the vocational pathway. Below are the links to some providers

<b>Organisation</b>	<b>Link</b>
