**These two days are important to your child's GCSEs and form part of their overall grade. The Science controlled assessments are a part of your child's actual GCSE and will count for 25% of their overall grade. Please write promptly to Mr Smith outlining the problem if there is any reason your child is unable to participate and your child will be marked as absent if they do not attend.**

Please note no reply slip is needed as your child will be in school on both days
