HEADTEACHER'S NEWS

Welcome back

A warm welcome back and a Happy New Year to everyone in the JRCS community. I think its always a good thing to start a new year on a positive note and this week I was delighted to receive a letter to inform us that our progress in the Sixth Form for 2018 was outstanding and put us in the top 20% of all Sixth Forms nationally.

This is a fantastic achievement for everybody involved in our Sixth Form provision and a testimony to the commitment and hard work from all the members of our team. It comes at a time when we are just about to meet with Year 11 parents and students next Wednesday to discuss their future plans. This excellent news will, I am sure have an influence upon the choices our Year 11's will be making in relation to their futures at the end of this academic year.

Dates for your diary:

16/01/19: Year 11 Progress Evening 3:45pm. 23/01/19: Year 9 Options Evening 3:45pm. 28/01/19: Student Finance Meeting 11:30am or 5:30pm.

30/01/19: Year 10 Progress Evening 3:45pm. 27/02/19: Year 9 Progress Evening 3:45pm.

GENERAL NEWS

Year 11 Progress Evening

On Wednesday 16th January, you are invited to join us for Year 11's second Progress Evening to hear about the crucial progress your child has made in terms of their character, behaviour and academic progress. On the evening, you will receive their mock exam results and discuss the steps required to improve progress in their GCSE exam performance.

Parents' Evenings are an incredibly important part of your child's journey through school. You will be given the opportunity to discuss the outcome with staff so that you feel fully informed on how to support your child up until their final exams. We understand that this can be a stressful time for families so we aim to give you as much guidance with this as possible. We will also inform you about the challenges that lie ahead in what is their most important year in school and ways to support your child with revision at home. You will be given:

- * mock results
- * current ranking (which shows how they are approaching their Year 11 studies);
- * revision material and information on how to best prepare for the real exams.
- * revision timetable

Additionally, an important feature of the evening will also be the attendance of the Senior Leadership and Sixth Form Team who will be interviewing students regarding the choices for college, apprenticeships or Sixth Form.

To maximise your experience at this Progress Evening, I would encourage you to look through your child's school books beforehand and make a note of any questions you might have for our teachers when you meet them. Students will need to bring their planner with their new progress card inside to record targets and actions set out by their teachers.

Your attendance at these events is absolutely crucial. There is a wealth of evidence which highlights the vast, positive impact parental support has on student achievement.

We look forward to seeing you.

The Year 11 team

Year 11 - Pathways Meetings

Members of SLT and other senior staff are looking forward to meeting Year 11 students, parents and carers at the Progress Evening on Wednesday 16th January. This is an opportunity for us to discuss students' plans for September 2019. We can discuss JRCS Sixth Form, college and other pathways in the light of mock exam results as well as students' aspirations.

Mrs Wren
Director of Sixth Form

Year 9 - Welcome back!

Hello and welcome to 2019!

This is a message for parents of Year 9 students, I just wanted to send a quick message via the Seagull to inform you of some dates coming up over the next few months. In Year 9, you will know that they have to tackle some tough decisions about where they want their future to take them and which subjects at GCSE level will take them there. Most importantly, they will need your help!

You can support them in 3 ways:

- Attend Options evening on the 23rd
 January to gather information about the choices available
- 2. Read through the options booklet together at home to get a good

- understanding of the subjects and what they entail
- Attend Parents evening on the 27th
 February where your child can make their
 final decisions with your support

Please do not hesitate to contact us if you have any questions about the process, but this information will be shared during the Options evening.

I look forward to seeing you all soon!

Miss Draisey Head of Year 9

Year 10 Science trip to London Zoo

On December 19th, a group of Year 10 students went on a trip to London Zoo as a reward for their fantastic start in Science this year. Students visited many areas of the zoo including the Gorilla Kingdom, Tiger Territory, Into Africa, Butterfly Paradise and The Aquarium. Penguin Beach was one of the highlights. Overall students enjoyed the day and were inspired by the wildlife at London Zoo. Well done to Nicola Hicks on her fantastic photography on the day!

Miss O'Neill and Mr Glover Science Department

Student Finance at University

I am delighted that so many students have applied to Higher Education Universities and Colleges.

Finance at university is complicated and can be worrying. The information and application packs are being issued this term.

We are very keen to make sure that all students and parents can come to our meeting about student finance. We are holding the meeting at two different times so I hope one of these times is convenient for you.

Please choose between Monday 28th January at 11.30am or at 5.30pm.

We will meet in the Sixth Form Common Room. There will be time to ask questions as well as listen to the information. Miss Campbell, Deputy Director of Sixth Form, has become an expert on these issues and will be leading these meetings.

All students who have applied to university are expected to attend and I warmly invite parents and carers too.

Mrs Wren
Director of Sixth Form

Cake Club 2018

Cake Club for 2018 was a real big success with many students taking part and achieving a great deal of new skills along the way, they developed a good bond as a group and had

great fun. They mastered the skills of marzipan and icing of the cakes and then finished off with a wonderful snowman design on their cakes which they then took home to show off to their families. I would like to take this opportunity to thank Mrs Moffatt for her support with this club, I could not do it without her help, thank you so much. Well done from the Food and Catering Department.

Mr Hargreaves Food and Catering

Year 7 and 8 Indoor Athletics

On Monday 17th and Tuesday 18th December a group of Year 7 and 8 students represented the school at the Barking and Dagenham Indoor Athletics Competition at Riverside School. All students trained extremely hard at lunchtimes and after school and went into the competition with lots of confidence. A special mention to the Year 7 squad as this was their first time competing in a big event. The JRCS students should be very proud of their achievements on the day. There will be further athletics competitions this term so please keep training hard

Results

Year 7 boys- 3rd Place Year 7 Girls- 5th Place Year 8 Boys – 2nd Place Year 8 Girls – 3rd Place

Well done to all squads!
