## HEADTEACHER'S NEWS

### Next Week

Next week is a very busy one at JRCS, we have normal timetable days on Monday and Tuesday followed by our ACHIEVE days on Wednesday and Thursday. Details of all the ACHIEVE Days can be found in this edition of The Seagull. On Friday 18<sup>th</sup> October the school will be closed to students for a teacher training day and we return to school at the normal time on Monday 28<sup>th</sup> October.

There will be one final half term edition of The Seagull which will go out next Thursday.

## GENERAL NEWS

### Year 11 Progress Evening will take place on Wednesday 6<sup>th</sup> November 3:45pm – 6:30pm.

It is extremely important that all parents/carers attend this first Progress Evening in the most important year of your child's schooling to date. You will hear about the progress your child has made in terms of their character, behaviour and attainment. We will also share information on the challenges that lie ahead and how you can support your son/daughter at this crucial stage of their education. You will be given the most current progress data, including feedback from mock exams in English, Maths and Science and information about preparation for the December mock exams. The Sixth Form team will also be there to give students guidance on their next steps. Students must bring their planners with them on the evening.

Please sign the sticker in your child's planner to confirm your attendance.

We look forward to seeing you there.

Miss Duncan  
Head of Year 11

### Whole School ACHIEVE Days 16<sup>th</sup> & 17<sup>th</sup> October 2019

Reply slips should have already been completed and returned to the School Office and payments should have now been made in full via ParentPay.

If you have not yet made payment or returned your completed form please do so as soon as possible. If payment is not received unfortunately, we may not be able to run the trips.

If reply slips are not returned prior to the trip date the student will have to remain at home and this will be an unauthorised absence. Students in Year 9 who are not going to Belgium are expected to be in school at 9:45am.

Mrs Garland  
Trips Administrator

### **Year 8 Student of the Month: September**

Tyler Henderson was nominated as Year 8 Student of the Month for September. He has shown dedication to our ACHIEVE agenda by engaging with all the opportunities presented to him by Miss Simpson and the Year 8 team, and developing his resilience so that he faces all challenges with enthusiasm, something that will stand him in good stead as a goalkeeper. Tyler celebrated this award with a hot chocolate and a donut with Mr Rackstraw this week.

Well done Tyler!

Mr Rackstraw  
Assistant Headteacher

### **Commando Joe's at JRCS**

Last week students from Year 9 took part in a nationwide research project looking into the importance of outdoor and adventurous activities in helping with students achievement. Nik Keast from Commando Joe's was a guest with us all week and led the students through a whole series of personal development challenges which helped to develop the students communication skills, ability to work with others and their ability to develop themselves. The week concluded with each group giving a presentation about the missions they had undertaken. It was lovely to see students, who at the start of the week, were too shy to talk in front of the group then stood in front of the class with Ms Eastman, Ms Rowland and Ms Salih and proudly gave a wonderfully clear presentation.

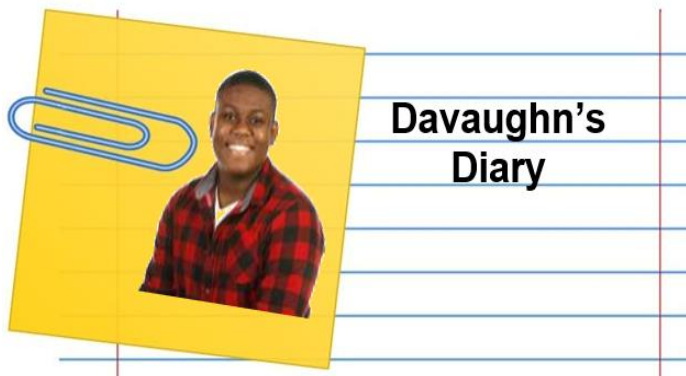

Congratulations to all of those involved: Ryan Baccarini, Bethanie North, Saad Amar, Harvey Amparheng, Madison Euston, Eden-Rose Follen, Martynas Naimovicus, Mackenzie Davies, Matthew Stevens-Baker, Ioannis Kotopoulos, Ruby Lyons, Tyler Wedge, Charlie Smiley-Sparks, Gift Alatishe, Bradley Carroll, Thomas Meade, Sidnie Day, Chloe Sealey, Reagan Murphy and Finlay Kelly.

All those who completed at least four days of the project received an LOC for establishing resilience. Well done to all, and I really hope that you can draw on some of the lessons learned on your return to the classroom this week.

Finally, many thanks to Miss St Hill-Duhaney who also supported this project throughout the week.

Ms Montague  
OSHL Co-ordinator

Who runs the school?

A welcome to new teacher: Mr Rackstraw.

As you all know, every year there are new teachers coming here and someone needs to give them a warm welcome. Mr Rackstraw our new Assistant Headteacher (who also teaches English) is more interesting than he first appears. Hearing about this position from fellow cycling fanatic Mr McInerney, he decided to apply to this school as 'the culture here is really special' and he hopes to be "accepted in the community" of Jo Richardson. From a very young age, he has been influenced and keen in the teaching area as his "mother's a primary school teacher" and he spent time working with his mum helping children with poetry.

This early exposure did not lead him to become a teacher himself as his dream job growing up was to be a car designer. Being interested in Maths and Physics as well as a fascination with cars led him to wanting to design cars such as Lotus. His love for wheels still hasn't died down as one of his hobbies is cross country cycling on vintage bikes, even as far as John O' Groats in the north of Scotland.

Cycling and poetry are not the only hobbies Mr Rackstraw has, he considers himself to be a "good chef" and in his spare time he likes to cook fancy meals or bakes for himself (if he feels like he deserves it), when he needs to relax.

By the end of the year, he hopes to be able to feel that he is accepted in the school and to feel he can make a difference.

### **Return your Library Books Reminder:**

**All library books should be returned before ACHIEVE/Trips days.**

This includes the £5 library fine to be paid if a library book(s) cannot be returned for whatever reason. Fines are to be paid via ParentPay under library fine.

Any issues regarding library books contact Ms Osland in the library.

Thank you for supporting your school library.

Ms Osland  
JRCS Librarian

### **Netball News**

Congratulations to the Year 9 girls netball squad getting off to a winning start to their netball season on Tuesday. They played a very talented and established Barking Abbey side. In the first two quarters we saw fantastic shooting and game play from Lola Oloyedi 9F and Koryn Archer 9A which put us into a 6-3 lead.

In the final two quarters we had great team work within the defence (Tekairah Smith 9A, Margaret Mante 9H and Victory Ndibe-Onwuka 9A) which only allowed Barking Abbeys shooters to score 2 goals. The final score was 13-5. 'Woman of the match' goes to Soraya Kaptiene 9B.

Well done girls.

Miss Pridie  
PE Department
