

Online Safety and Support for Parents/Carers

Click on the resources below that offer support to Parents and Carers to keep their children safe online. I have highlighted some that may be particularly useful:

- Internet matters provides age-specific online safety checklists, **guides on how to set parental controls on a range of devices**, and a host of practical tips to help children get the most out of their digital world
- Thinkuknow provides advice from the National Crime Agency (NCA) on staying safe online
- Parent info is a collaboration between Parentzone and the NCA providing support and guidance for parents from leading experts and organisations
- Childnet **offers a toolkit to support parents and carers of children of any age to start discussions about their online life, to set boundaries around online behaviour and technology use**, and to find out where to get more help and support
- London Grid for Learning has support for parents and carers to keep their children safe online, including tips to keep primary aged children safe online
- Net-aware has support for parents and carers from the NSPCC, including a **guide to social networks, apps and games**
- Let's Talk About It has advice for parents and carers to keep children safe from online radicalisation
- UK Safer Internet Centre has tips, advice, guides and other resources to help keep children safe online, **including parental controls offered by home internet providers and safety tools on social networks and other online services**

Please contact your child's Form Tutor or Head of Year via email or call the school on 02082706222 if you would like some further support going through any of the above resources.
