HEADTEACHER'S NEWS

Gold Seagulls

Sometimes we have to be honest about the impact that the challenges of the last year have had on us as a community. Almost exactly a year ago to the day, we closed the school for the start of the first lockdown. Over the past year we have seen enormous changes and adaptations to the way that we have taught and learned in the JRCS community. The young people of the school have been at the centre of these challenges where they have had to come to terms with new timetables, bubbles, rapid flow testing, and remote learning, amongst others. Since we returned to school at the beginning of March, I have been incredibly impressed with the resilience the JRCS students have shown. Everyone has a story to tell and everyone has endured their own ups and downs over the past 365 days.

Therefore, it was with great pleasure this week that I was invited to the Year 7 and Year 8 assemblies to give out nearly 150 Gold Seagulls. These awards are a symbol of the determination and ambition that our young people have despite the challenging circumstances that they have had to adapt to. Congratulations to all our Gold Seagull winners and keep up the good work.
