## HEADTEACHER'S NEWS

### Year 11 and 13 Assessments

Next week is the last week before half term and is the final week of important assessments for Year 11 and Year 13 students. Students in both year groups are expected to be in school for scheduled interventions and assessments only. It is important that students continue their preparations at home and know their assessment timetable to ensure they arrive to school when required.

We have been really impressed with the way our students have applied themselves throughout this period and we wish them the best of luck in their final assessments.

### Dates for your diary!

Monday 7 <sup>th</sup> June	Year 11 Leavers Assembly
Wednesday 30 <sup>th</sup> June	New Intake Evening
Friday 1 <sup>st</sup> July	New Intake Day
Monday 5 <sup>th</sup> July	Year 13 Party
Monday 12 <sup>th</sup> July	Year 11 Prom
Wednesday 14 <sup>th</sup> July	Year 7/8/9 Sports Day Year 10 Chessington Trip Year 12 Brighton Trip

The table above gives you some information about some of the events we hope to be running between now and the end of the Summer term. Your son or daughter will receive more details about the events involving

their year group closer to the date. We hope that we will be able to run everything listed in the table but obviously we will need to follow the government guidelines as they are released.

### Testing Information from the Government

Please click on the link below for further information from the Government regarding taking Covid tests and the importance of reporting the results, together with details of the Test and Trace Support Payment scheme.

## GENERAL NEWS

### 5k for 50 Days

As part of a fundraising activity a friend of Miss Draisey decided to run 5k every day for 50 days. The aim was to raise as much money as possible to buy football boots to support anyone in London who may benefit from them. Finley (pictured below) completed his 5k every day in the rain, sun and freezing temperatures throughout April and raised over £2000.

Alongside this, he made a great partnership with Mad About Boots who then also agreed to donate boots to the cause.

As a result of his outstanding efforts, JRCS are now the proud owners of 13 brand new/barely worn football boots, some of which have been worn by players playing professionally in the Championship!

We wanted to take this opportunity to thank Finley for his efforts in fundraising and delivering so many pairs of boots for us here at JRCS, the boots are now with our Wings Football Academy (Mr Richards & Mr Kersey) and will soon be on the feet of an outstanding player near you!

Miss Draisey  
Head of Year 11

### **Sixth Form Dress Code**

In September 2021 we are amending our Sixth Form dress code. A letter has been sent to parents of Year 12 students. The dress code includes the following changes:

Shoes - no trainers

No denim - including black jeans

Skirts must be of a reasonable length.

Many thanks for your support.

Mrs Evans  
Director of Sixth Form

### **Year 12 Brighton Trip - Wednesday 14<sup>th</sup> July**

Year 12 will be heading to Brighton this Summer for their end of year reward trip. It will be a great opportunity to visit the seaside town of Brighton. The ticket price will include return train fare to Brighton, unlimited rides at Brighton Pier and a seaside lunch. Year 13's can also participate in this trip. Places will be first come, first serve so make sure your trip letter is handed back to Miss Duncan by Friday 28<sup>th</sup> May.

Miss Duncan  
Deputy Director of Sixth Form

### **Year 8 Tutor Time**

8J are doing presentations at the moment once a week in tutor time with the student they sit next to in the seating plan.

Here are the mighty Enoha and Bayley, with a presentation of Enoha's Rubik's Pyramid completed in 27.17 seconds.

That's got to be some sort of world record for his age! Wonderful and highly entertaining, and he did it twice. Phenomenal!

Miss Hurst  
8J Tutor

### **Thank you for the fantastic masks!**

8C have created some fantastic Elizabethan masks to collaborate with their learning of William Shakespeare's Much Ado About Nothing. Mrs Way will be using these for her Shakespeare display boards. Fantastic effort. I will make sure you all receive credits for your hard work.

Mrs Way  
English Department

### Cooking Club

Year 7 had a really good evening in Cooking Club on Monday, making homemade pizza dough, learning how to knead and prove and then chopping all different types of toppings such as pepper, onion, mushrooms, jalapeños, pepperoni and cheese and they also helped to make the sauce.

I would like to thank Mrs Moffatt for her help and support.

Mr Hargreaves  
Food and Catering

### Science Mock Exams

Science will be holding Year 10 Mock Exams during the week beginning Monday 21<sup>st</sup> June. To help students I have set up for all student's revision material using SENECA Learning. This is a free learning resource. I have assigned work for every student in Year 10 so that they can revise for their examinations. You can either go the website, sign up as a student and type in the class code or/and scan the QR code with your phone. I have set this up so all the groups are called Mr Glover's – sorry couldn't change this. Ignore this, join the groups and revise. (Please see groups and QR codes on the following page).

## May Assessments

Below is a copy of the May Assessment Exam Timetable. These are internal exams and students will be required to attend normal lessons. Please make sure students have a good breakfast and they have the correct equipment with them for each exam, including a calculator (if needed) and a black pen.

If they wish to, they may bring water, but this needs to be in a clear plastic bottle with the label removed. Please remind your child that under no circumstances should mobile phones be taken into exam rooms. If your child is unable to attend any of their exams, please call the attendance line as usual and we will require a letter from your doctor.

# WORD OF THE WEEK

## 24th-28th May 2021

### JRCS 200 word challenge

Read it

# Vicarious

Define it:

*Experienced through the feelings or action of another*

Digging deeper:

While the usage of this word peaked in the 1700s, it is still used today to describe more about emotion than substitution. If a friend was experiencing a thrill or joy, you could experience vicarious pleasure by listening to their experiences. Moreover, you could also experience the pain and suffering of another by listening to their experience and describing this as a vicarious punishment. With the popularity of Social media, this adjective becomes more popular than ever as we can live our lives vicariously through those online.

Draw It

*On the whiteboard/paper/ mini whiteboards*

Deconstruct it

Vicarious comes from Latin meaning substitute. This then informed the English word 'vicar' in the 18th Century to describe a person of the church who would step in for their senior. This then informed other substitute roles described with the prefix 'vice' such as Vice president, Vice admiral or Vice chair.

Link It

*Report back next week: how did you find ways to link this word to your learning in different subjects?*

Use It

1. We get vicarious enjoyment from watching our daughter play football.
2. The court held vicarious power as the Judge stepped down.
3. (Used as an adverb) I lived my life vicariously through them as they were having so much fun!
