ACHIEVE Days 3 and 4: hot weather/parent consent

We have our ACHIEVE days coming up next Wednesday and Thursday (13th and 14th July 2022). Please check the table in this Seagull carefully so that you are aware of times of the day, uniform requirements, and anything students need to bring with them.

As we're expecting very hot weather next week, please ensure your son/daughter is wearing sun cream and brings extra with them to top up throughout the day if they are going to be outside. They also need to bring plenty of water to drink and, for Chatham docks, a hat.

If you do not submit your consent before the ACHIEVE days we will be unable to take your child off site. Parents of any students who are going off-site (Year 7, Year 8, Year 9) must email their consent to office@jorichardson.org.uk.

ACHIEVE Day 5: Monday 18th July

On Monday 18th July we will be running a fun day for students. You will be emailed a letter at the beginning of next week which outlines details of the day for your child. Parents of any students who are going off-site on these days (Years 9 and Year 10) must email their consent to office@jorichardson.org.uk.

In order to facilitate the running of the day, Years 7 and 8 have an early finish and Years 9 and 10 have a late start and an early finish as detailed below (please note, this is a slight change from what was published in last week's Seagull):

Year 7 and Year 8: 8.35am-2.30pm
Year 9 Forms A to E: 10.00am-2.30pm
Year 9 Forms F to J: 11.00am-3.30pm
Year 10: 10.00am-3.00pm

Last day of term: Tuesday 19th July

Please note the last day of term is a non-school uniform day. Students should wear appropriate clothing for school (eg, no crop tops or hot pants, etc) and no jewellery. Students should bring £1 to school to raise money for The Ben Kinsella Trust, our chosen charity for the day. Students will be dismissed at 12.00pm on this day.

Celebration Assemblies

This week, we've been holding celebration assemblies for all year groups to mark the end of the school year and to announce prize winners for each subject. It's been a delight to take part in these and to celebrate our students' many talents and successes. Well done to students who have performed in the celebration assemblies and thank you to our Heads of Year and Pastoral Assistants who have worked hard to make them such enjoyable events for the students.

GENERAL NEWS

Returning Library Books Students need to return ALL library books by Friday 15th July

There are a number of students with an overdue library book. In this case, if any library book cannot be returned, the £5 library fine is to be paid on ParentPay.

Borrowed library books remain on a student's library account until the book is returned or the library fine paid.

A library is not a library without books.

Ms Osland
School Librarian

ParentPay Year 11 and 13

Reminder to all Year 11 and 13 parents/carers and students: ParentPay accounts must be cleared of any debt or credit before students leave JRCS. If debts are not cleared, we cannot guarantee the release of any examination certificates.

No credited amount under £5 can be refunded but can be moved to a sibling's account. You may wish to leave some money on their account for the students to use whilst doing their exams, but please ensure this is all used before the end of this academic year.

Please do not hesitate to contact us if you have any concerns or queries.

Assistant Headteacher

Year 10 Hit The Film & Media Production Line

A group of Year 10 media students took an excellent opportunity to network and learn from professionals in the film making industry.

Ms Harland watched on with pride as they spoke with confidence about their aspirations and future career plans.

Sienna spoke about how it's amazing to have such a facility on our doorstep. Summer, Deputy Head-student who was interviewed

and appeared on the BBC News said how the opportunity to attend the event was really beneficial.

During the event students were able to see a live run-through of a set to get a real-life experience of how the industry rolls. After this the students had the opportunity to speak with production companies, wardrobe and make-up departments, lighting and camera organisations

and also get an idea about the range of post-production jobs that are available.

The ability to know company names associated with this industry is a key piece of knowledge for future job hunting!

An amazing chance to get information and close up in a niche and exciting industry.

Ms Harland
Head of Media Studies

Textiles Club

I would like to start by thanking the students who every week come down to DT and give 100% on what they do.

Their dedication and enthusiasm are vital for a club to be successful, and I must say, this year you guys were truly amazing. You took on new techniques and the challenges that came with it, but you didn't give up; week after week, you practised and improved the quality of your product, and also your work ethic.

I am extremely proud of all textiles students; they all aspire to be their best and engage with the opportunities and challenges new techniques may bring, and it's lovely to see how confident and resilient they all have become.

I know some of you will be starting Year 10 next year, and probably will have to take on new challenges, but if you have some spare time, come and help setting up the routes for the new textiles group to follow.

You are a wonderful bunch to be around, always keep up the good work.

Teacher of Design Technology

Year 11 Prom Monday 4th July 2022

On Monday night, we had 183 of our Year 11 students celebrate the end of their GCSEs with a prom at Orsett Hall.

The students looked absolutely incredible, and several Orsett Hall staff commented how polite they were and described them as a credit to us.

Staff and students had a brilliant time and enjoyed welcome drinks, dinner, dancing, a photobooth and sweet table.

Thank you to everyone for coming and making it such a brilliant evening.

Mrs Rowland
Head of Year 11

Year 8 and Year 9 Art students

Any students from Year 8 and Year 9 who wish to collect their clay tiles need to do so before the end of term as unfortunately we are unable to store them.

As the tiles are made of clay, we would recommend students bring something suitable to wrap them in (a few sheets of newspaper or similar should be sufficient) to avoid any breakages.

The Art department would like to take the opportunity to wish all our students a very happy summer break.

Ms Claydon
Art Technician

Theatre in Education Event – Tuesday 5th July 2022

On Tuesday 5th July 2022 the Drama Department held a Theatre in Education event for the whole of Year 7.

A select group of Year 9 students from across all forms performed pieces devised, directed and designed by themselves based around appropriate social topics for a Year 7 audience. There was a real positive buzz in the air with fantastic participation and theatre etiquette and some brilliant audience feedback!

We are so proud of the Year 9s that took part in creating an insightful, educational and engaging afternoon for our Year 7s and look forward to more opportunities like this in the future.

Miss Hallas and the Drama Department

Year 10 Cricket

Massive congratulations to the Year 10 cricket team who won the borough 6-a-side cricket tournament this week.

The team combined excellent fielding and bowling skills with destructive batting to win all of their matches in the group stages and then to go on and win the final.

It is an excellent achievement by the team who have demonstrated superb enthusiasm towards cricket over the past four years and I am delighted the students have managed to win their final cricket tournament together as a team.

Head of PE

100 club celebrations

Over the past year KS3 have shown fantastic commitment to PE extracurricular clubs

In PE we have had a highly successful year with both Year 8 & 9 boys reaching the final of the borough football, all netball squads making it to the knockout stages of the borough rallies and 7-10 athletics teams all reaching the top 4 schools in the borough.
