# HEADTEACHER'S NEWS

# **Gold Seagull**

Congratulations to this week's Gold Seagull winners:

Salwa Year 8, Darius and Naima Year 11 (pictured above).

# **Award winners**

Congratulations to our Gold seagull winners! I also had the opportunity to attend the Jack Petchey and Duke of Edinburgh celebration events. I am so proud of our award winners. Well done for taking up the extra opportunities on offer and showing real resilience and leadership qualities!

# Good luck Year 13 and Year 11!

Exam season is well under way. This week our Year 11 students have been busy with their GCSE art exam. I was really impressed with the quality of work when I visited the art department today and I look forward to seeing the finished pieces. Our written papers start next week. Please ensure you check the exam timetable at

the back of The Seagull. May I take this opportunity to wish Year 11 and 13 students the very best of luck. If you require any support during this period, please do speak to any member of the Senior Leadership Team or year group team.

This week I met with our Year 13 students for their exit interviews. It was a real pleasure to meet with you all and learn about the exciting variety of courses and destinations you are going on to. I really appreciate your feedback and wish you all the best for the future.

# **Culture day**

We held our annual Culture Day last week. It was great to see so many students in their cultural dress and well done to all those students who performed in our showcase.

# **Jack Petchey Awards Ceremony 2023**

On Tuesday 2<sup>nd</sup> May 2023 the Jack Petchey Awards Ceremony was held at the Barking Broadway Theatre. All awards winners

from last year June – November winners were invited to come along with parents and carers to support them.

Winners walked on stage to collect their Jack Petchey Medallion and shook hands with the Mayor of Barking and Dagenham, Farouk Choudhury.

The event was a fantastic celebration of our winners' successes, filled with music, fantastic

performances and students' nominations read out for all to celebrate.

Students who attended the event were: Sophia – Year 8 Anton – Year 10 Ayen – Year 10 & Teeyah – Year 11

Our Sixth form Leader award winner Mrs Evans was also celebrated at the event. We are so proud of our Jack Petchey Winners from November to June, and I look forward to announcing our June 2023 winners very soon.

## **Environment Action Team – Bottle Launch**

Over the past two months our Student Voice Environment Action Team have been taking to assemblies to promote reusable water bottles and launch JRCS into becoming a more plasticfree school. In order to promote this, they created an interactive assembly which culminated in every student in Year 7-9 being awarded their very own 'JRCS' re-usable water bottle in the hope that students use and refill these instead of contributing to plastic pollution by buying multiple plastic bottles.

The action team are constantly thinking about new and exciting ways for us to become a greener school and how to reduce our carbon footprint and are excited to see what the future holds for JRCS's greener and more plastic-free journey!

# Culture Day 2023 at JRCS!

On Friday 5<sup>th</sup> May 2023, we celebrated Culture Day at JRCS. Students paid £1 to the Red Cross to wear something that represented, reflected and celebrated their culture.

It was an incredibly positive and uplifting day where we recognised the diverse and rich cultures of students and staff alike and were able to learn and be inspired by the wideranging cultures around us.

At break and lunch times, we held a 'Social Time Showcase' with varying acts celebrating multiple cultures' these ranged from songs, dance, spoken word and music.

I am so proud of the students who put themselves forward to perform and represent their culture. It took real courage, and your hard work and commitment really paid off.

Well done to all students involved, it was a really positive event where everyone felt celebrated, respected and seen.

# Soggy seven experience success!

Seven students from Year 10 took part in their bronze practice expedition for the Duke of Edinburgh Award last weekend.

They braved the wet weather conditions and thundery showers and showed a great deal of resilience despite the very wet conditions.

The expedition took place in the London Borough of Enfield and, even though the participants didn't watch the coronation they did see the fly past fly over their route just as they reached the minibus.

Congratulations to all involved: Enoha, Ishaaq, Majid, Shalewa, Marline, Ameenah and Harpreet. I would also like to wish

these students all the best with their qualifying expedition on 19<sup>th</sup> and 20<sup>th</sup> May.

Many thanks also to the staff who gave up their weekend and helped out: Ms Lea, Mr Kilminster and Bill, your support is very much appreciated.

Ms Montague DofE Manager

# **GCE & GCSE Exams**

Below is the exam timetable for GCE & GCSE exams which start on Monday 15<sup>th</sup> May. These are official exams and students will be required to attend normal lessons when they do not have a scheduled exam. Please make sure students have a good breakfast and they have the correct equipment with them for each exam, including a calculator (if needed) and a black pen. If they wish to, they may bring water, but this needs to be in a clear plastic bottle with the label removed. Please remind your child that under no circumstances should mobile phones or smart watches be taken into exam rooms. If your child is unable to attend any of their exams, please call the attendance line as usual and we will require a letter from your doctor.

Dear Parents/Carers,

We would like to invite you to attend the May 2023 webinar series specially tailored for parents/carers of adolescents, in collaboration with the Schools and Colleges Early Support Service.

Topics have been chosen to reflect core developmental processes in adolescence and common difficulties parents can struggle with. The content is psychoeducational, strategy-based and solution focused. The webinars will cover the following topics:

Anxiety in adolescence: how can parents help?

Adolescent self-harm: how to make sense of it and when to seek support

Weathering the storms of strong teen emotions: do's, don'ts and when to consider talking to someone

Building resilience, staying connected and nurturing your relationship with your teen

Managing teen behaviour that challenges: tips and tricks

We have two **NEW** webinars taking place this term:

Supporting a young person at exam times

Low mood in adolescence

Further details on each webinar are below. To register please click on the relevant Zoom link.

## Low mood in adolescence

Tuesday 16 May 12:30-1:30pm

Venue: Virtual via Zoom

Low mood does not just affect adults. Young people can experience low mood too. Common signs of low mood often include sadness that does not go away, feeling irritable all of the time, not being interested in things that used to be enjoyed, feeling tired and exhausted a lot of the time. Things that might increase low mood include family difficulties, bullying, bereavement, parental separation, friendship issues. Our webinar will offer some insight into spotting the signs and symptoms of low mood, understand why young people are vulnerable to experiencing this and offer evidence-based strategies to support a young person.

Anxiety in adolescence: how can parents help?

Monday 15 May 12:15-1:15pm

Venue: Virtual via Zoom

It is normal to sometimes feel anxious, however for some adolescents, anxiety can become a significant problem that stops them from doing things, e.g., talking to new people, going out with friends, or doing their best in exams. The focus of this webinar will be on what parents/carers can do to help their teens who are experiencing anxiety. It will cover when anxiety is normal vs. problematic, common anxieties during adolescence (exam stress, social anxiety and worries about identity and development), the relationship between parent-child anxiety, and how and when to access support for you and your child. We will also discuss a couple of 'real world' examples of common adolescent anxieties and different strategies that may be helpful in those situations.
