HEADTEACHER'S NEWS

Year 13 have had a great day in Stubbers this week. Next week we have our Year 6 Open Evening on Wednesday 18th September. A reminder that students who are attending as helpers should wear full school uniform. Any student attending with Year 6 siblings who is not helping should not attend in uniform.

I have been impressed with the start students have made. We have had our first full week of teaching, and our Year 11 intervention programme has started already. More information about the support we offer our Year 11 students is available during our Year 11 Welcome Evening for parents and carers on Wednesday 25th September. We also have a Year 12 Parent/Carer Information Evening on Thursday 19th September.

We also have a Year 12 Parent/Carer Information Evening on Thursday 19th September and a Year 13 Parent/Carer Information Evening on Tuesday 24th September.

Ms Keane
Headteacher

Year 12 Parent/Carer Information Evening

You are invited to our Year 12 Parent/Carer Information Evening on Thursday 19th September from 5:30pm-6:30pm. The purpose of this event is to give you information regarding routines and structures in Jo Richardson Sixth Form and to ensure every student transitions well from Year 11 to 12. We

will be available to answer any queries you have during this event.

We look forward to seeing you there.

Mrs Evans
Assistant Headteacher and Director of Sixth Form

Year 13 Parent/Carer Information Evening

You are invited to our Year 13 Parent/Carer Information Evening on Tuesday 24th September from 5:30pm-6:30pm. The purpose of this event is to give you information regarding university and apprenticeship applications and how to ensure every student is successful. We will be available to answer any queries you have during this event.

We look forward to seeing you there.

Mrs Evans
Assistant Headteacher and Director of Sixth Form

Students leaving for appointments during the school day

Can all parents/carers please give the student a note any time up to the day before the student needs to be collected, stating the time you will need to pick them up. The student should then go to the School Office to get an exit mark in their planner; this will allow them to leave their lesson at the appropriate time.

If the student will be coming to school late due to an appointment, please give them a note before this date to give to their tutor or call the absence line on the day (020 8270 6222 option 1).

Please note that students are not allowed to leave site during the school day unless they are collected from reception by a person on their contact list.

Mrs Stone
Office Manager

Message for all former students of Jo Richardson Sixth Form

We need your help!

The Jo Richardson Sixth Form is looking to build up our network of alumni students to support our current Year 12 and 13 students and potentially to offer networking opportunities for alumni students too.

Consent form for contacting you
as part of the alumni network

Being at the start of this project we are firstly looking to get your consent to store your contact information so that we can get in touch about ways in which you can help our current students or by displaying information about your studies and where you are now. If you could use the QR code above to complete the Microsoft Form, we would be very appreciative in the first instance and if you could pass the message on to friends who don't receive The Seagull, that would be great too. If we can start to build the network up, then we will be in touch about social or networking events in the future.

Many thanks in advance.

The Sixth Form Team

Parents & Carers: Helping our children stay safe

“This course really gave me a real life insight and the information that could help keep my own and other children safe.”

Workshop Details

Where?

Online via Zoom

When?

Thursday 26th September
5:30 pm - 7:30 pm

Topics Include:

- Fear as a driver of knife crime
- The cycle of trauma and knife crime
- Understanding trauma responses
- Reducing fear and building resilience
- The emotional impact of Knife Crime
- Communicating well with young people

Informative and Empowering

Knife crime continues to have a devastating impact on young lives, leaving a trail of trauma, fear, and loss. This webinar delves into the complex relationship between fear, trauma, and knife crime, offering insights and practical solutions to help participants better understand and support young people.
