As we come to the end of another academic year, I would like to take this opportunity to thank you all for your continued support and partnership. It has been a year filled with hard work, growth, and many proud moments across our school community. We are incredibly proud of our students' achievements and the resilience they have shown throughout the year.

It has been a busy end of year with three ACHIEVE day trips and a sports day. I hope students have enjoyed these days and are looking forward to our final ACHIEVE day on Thursday. Please note students should be in school uniform for the trips on Thursday. Can you please also ensure students are not wearing jewellery to school and that you check the brochure for details of your child's trip.

## Arrangements for the last day of term

The last day of term, Friday 18<sup>th</sup> July, will be a non-school uniform day. Students are asked to bring a £1.00 donation for charity if they wish to be in non-school uniform. We ask that students dress appropriately for school. Strictly no pyjamas or nightwear, shorts and skirts should be of an appropriate length, no hot pants or crop tops or offensive or political slogans on T-shirts. Students should not wear jewellery. Students will be in lessons until 11.30am. We will be serving food at break time and students can use their free school meal allocation at this time. Students will then have an extended tutor period and be dismissed from school a year group at a time between 11.40am and 12.00pm.

As we prepare for the new academic year, please take note of the following important reminders and updates:

## Uniform Expectations

We are committed to maintaining high standards, and this includes our school uniform. Please ensure that your child returns in full school uniform in September. Please remember that jewellery is not permitted at JRCS so if students have piercings they will be asked to remove them. Therefore, if your child is planning on getting a piercing over the summer, then this should be done at the start of the

holidays so it has time to heal for September, and any jewellery can be removed.

Full details of our uniform policy can be found on the school website. If you require support with uniform over the summer, please contact the School Office before the end of term.

### Mobile Phone Policy

From September 2025, mobile phones will be banned in school and Castle Green reception. Any phones seen or heard during the day will be confiscated for 24 hours and will need to be collected by a parent or carer. If a student brings a phone into school a second time it may be confiscated for 5 days. Please support us by ensuring that students do not bring mobile phones into school.

This borough-wide policy is being introduced to support learning, reduce distractions, and promote positive social interaction.

### Punctuality

Please ensure your child is punctual and ready to start the new term positively. The gates will close at 8.30am from Thursday 4<sup>th</sup> September. Please support us ensuring students arrive on time for school. Any student arriving after 8.30am will receive a late mark.

On behalf of all the staff at JRCS, I wish you and your families a restful and enjoyable summer break. We look forward to welcoming everyone back in September, refreshed and ready for another successful year.

Warm regards

Ms Keane  
Headteacher

Community School; we are simply passing on the information.

### Year 12 'Changing Perspectives' workshop with the UK Jewish Film Festival

A group of Year 12 students have taken part in a special workshop with the UK Jewish Film Festival to enrich their understanding of what it means to be Jewish. With a focus on promoting British values, UK Jewish Film's Changing Perspectives project educates about the complexity of British Jewish identity, combats antisemitism and celebrates tolerance.

Led by experienced educators and facilitators, the short film-based workshops create a unique opportunity for students to learn about Jewish lived experience. Emira said this was 'incredibly eye opening and engaging. They sparked thoughtful discussions and gave us a deeper understanding of culture, identity, and storytelling through film.' The students engaged thoughtfully, respectfully and asked great questions - well done Year 12!

Ms Brookman  
Teacher of Religious Studies

## Leyton Orient signing

An amazing year for Charlotte in Year 9 was made complete when she went to an Arsenal training session for talented players this month.

This follows her being scouted at a Summer Camp (run with JRCS), signing for Leyton Orient and attending England training. We can't wait to see what next season has in store!

Mr Richards  
Teacher of English

## Year 10 Geographers take on Stratford!

On Friday 13<sup>th</sup> June, our Year 10 Geography students ventured out to Stratford to complete the fieldwork component of their paper 3 exam.

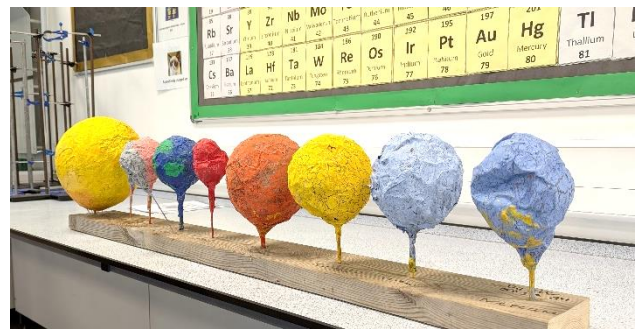

The focus of the day was to investigate whether the regeneration of Stratford has been a success and what better way to explore this than through hands on research?

Equipped with clipboards and enthusiasm, students carried out pedestrian counts and gathered public opinions through questionnaires. It was a great chance to apply their classroom learning to the real world and develop key skills in data collection.

The day was a real success, with students collecting a wide range of useful data. They will now be analysing their findings back in class, using them to build knowledge and confidence in preparation for next year's exam. Well done to everyone who took part, a fantastic day of geography in action!

Miss Ross  
Second in Geography

## Year 8 Science

Congratulations Dexter in Year 8 for an amazing piece of homework!

What a brilliant model of the solar system. Well done for going above and beyond!

Miss Oduro  
Teacher of Science

## A Level Art

On Tuesday 24<sup>th</sup> June the Sixth Form Art room doors opened to family, friends and teachers to celebrate the success of our A-level Art cohort. It was great to see so many visitors, and the students really enjoyed sharing their art journey and celebrating their work!

There are also more images of their work on the JRCS Insta page or, if you missed it, please come up to art for another peek!

Thanks to Maya, Maya, Denise, Liza, and Meda for their stunning work!

The Art department wishes them only the best for their future careers!

Ms Franz  
Teacher of Art

### Textiles Club

I would like to start by thanking the students that every week come down to DT and give their 100% on what they do; your commitment and dedication are impressive and very inspiring.

Over the term we had a few new starters and it has been wonderful to see the girls supporting each other, demonstrating resilience and resourcefulness, sharing tips and ideas.

I am extremely proud of all textiles students; they all aspire to be their best and engage with the opportunities and challenges new techniques may bring, and it's lovely to see how confident and resilient they all have become.

You are a wonderful bunch to be around, always keep up the good work.

Miss Mir  
Teacher of Design Technology

### VIP Vet Day: Year 12 Students Step Inside the RVC

Two of our Year 12 students recently enjoyed an exclusive VIP Day at the Royal Veterinary

College (RVC), offering a fantastic insight into the veterinary world.

The day included a comprehensive vet school tour and a hands-on vet nurse session where they practised positioning for X-rays and bandaging different types of wounds. They also participated in a vet session focused on diagnosing and treating a simulated patient, 'Bruno'.

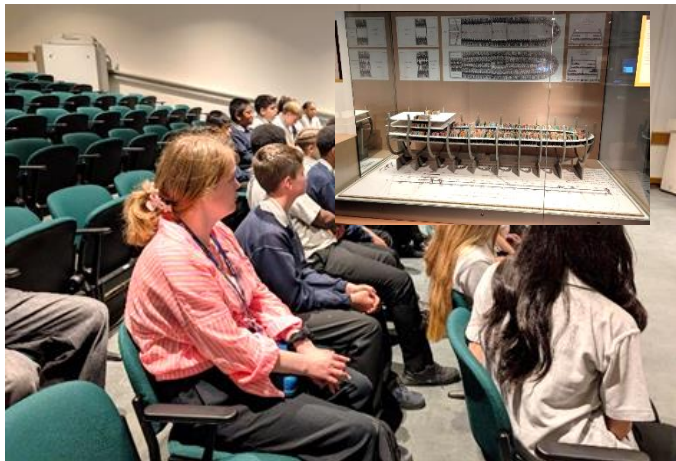

The visit concluded with valuable application support and pathways information from The Royal Veterinary College, Nottingham and Lancashire Universities, helping our students plan their future in veterinary science.

This immersive experience was an excellent opportunity for our aspiring vets to explore their passion!

Ms Vincent  
Careers & Pathways Coordinator

### Transatlantic Slave Trade Enquiry Day

On 17<sup>th</sup> June, 29 of our Year 8 students were rewarded with a history study day at the National Maritime Museum, Greenwich.

Linked to their studies of the trade, students were able to look at primary sources showing accounts and names of West Africans who had been traded to the Americas. Students were also able to explore the gallery linked to the trade and discuss the historical implications of the evidence that they saw and handled. Students demonstrated the core values of

JRCS and showed exceptional knowledge and understanding of the topic, whilst at the same time understanding the sensitive nature of the time period.

Mrs Green  
KS3 History Co-ordinator

### Advance Notice: Year 9 ACHIEVE Day Thursday 23rd October 2025

As part of our ACHIEVE Day programme, we will be offering our annual trip to visit Ypres and the Western Front in Belgium. Letters will be sent via MCAS to current Year 8 students with all of the details; in previous years, the cost of the trip has been around £85 per student but this could go up or down depending on the

number of students who wish to attend. The cost of the trip will be broken down into multiple payments, but a deposit will likely be expected before the end of the Summer term. If your current Year 8 child is wishing to attend the trip in October, can you please check their passports are in date - passports need to be valid for at least three months from the date of travel.

Mrs Green  
KS3 History Co-ordinator

### Year 13 Final Farewell

Year 13 completed a final farewell week after completing their A levels and BTEC/CTEC courses. Some had already been off for a few weeks; others had a hectic final week of exams – culminating with the final A level exam of Chemistry paper 3 on Friday 20<sup>th</sup> June.

Monday 23<sup>rd</sup> June saw many of the students gather in their splendour for the annual Year 13 Leavers' Boat Party.

The majority of students arrived at JRCS to enjoy the journey to Temple Pier on two traditional double decker buses. Once at the pier we embarked the Golden Sunrise Boat to a complimentary 'Sunrise' mocktail.

The evening saw conversation, amazing views of London which changed as the sun set and an ability to chill and reflect on the journey. They indulged in the lovely buffet, went mad in the photo booth and had Ms Keane up on the dance floor (disappearing into a moshing group!!).

It was one of the best boat party events we have had – as they have been all year, the students were amazing, lovely company, courteous and full of fun.

The final group gathering, before results day, saw many come back into school on the Thursday for a game of rounders, the chance to sit and chat (and not be told to get on with work), to enjoy the sun and refresh with some nibbles and ice-pops.

The year group have truly been inspirational in their two year journey. They have worked hard, overcome hurdles, pushed through times that were tougher. They have looked after each other and formed some lasting friendships.

I hope that results day brings them what they deserve and that the future pathways are fulfilling, full of fun and opportunity.

Miss Campbell  
Deputy Director of Sixth Form

### Annual Summer Concert

On Tuesday 1<sup>st</sup> July the music department held our annual summer concert for students to perform in front of their family and friends. All involved did incredibly well and we are so proud of the hard work they put into perfecting their pieces. Congratulations to you all!

Miss Cummings  
Music Admin Assistant

## A Year of Stories, Sharing, and Success in the Library

As the academic year draws to a close, we're celebrating a vibrant and inspiring year in the school library, filled with books, creativity, and community spirit.

### KS3 Book Club: A Journey into the Mysterious

Our KS3 Book Club met every Wednesday afternoon, diving into a range of exciting reads. The standout favourite this year was *Hold Back the Tide* by Melinda Salisbury — a chilling and atmospheric tale set in the remote Scottish Highlands. The story follows Alva, a girl living with a dark secret: her father is a murderer. But as strange things begin to stir in the loch and the village, Alva discovers that the real danger may be far more ancient and terrifying than she ever imagined.

### KS4/5 and Staff Book Club: Powerful and Provocative Reads

Older students and staff explored deeper themes through two standout novels. *The List* by Yomi Adegoke sparked powerful discussions about online culture, privacy, and the impact of social media. It follows Ola, a journalist whose life is turned upside down when her fiancé's name appears on a viral list of alleged abusers — a gripping and timely exploration of truth, trust, and accountability.

We also read *10 Minutes, 38 Seconds in This Strange World* by Elif Shafak, a poignant and lyrical novel that begins in the final moments of a woman's life. As her brain continues to function for ten minutes and thirty-eight seconds after death, she reflects on her life in Istanbul and the friendships that gave her strength. A moving tribute to memory, resilience, and the power of human connection.

### Readathon Success: Year 7's Big Heart

In a heartwarming show of generosity, Year 7 students took part in a Readathon, raising over **£100** for a charity that provides books to children in hospital for extended stays. A huge thank you to everyone who participated and supported this meaningful cause.

### World Book Day: A Celebration of Stories

World Book Day was a tremendous success! Staff dressed up as beloved book characters and shared stories throughout the day, creating a joyful and literary atmosphere across the school. The highlight was a visit from acclaimed author **Caroline Green**, who has written

numerous stories and novels for both children and adults. She worked with 60 students from Years 8 and 10, leading creative writing workshops and sharing her insights into storytelling. Caroline praised our students as "among the nicest she had ever encountered" — a wonderful compliment to our school community.

Congratulations to the winners of our World Book Day Competition, each receiving a £10 Amazon voucher:

- **Year 7:** Nero, Charlie, Britta, Ibrahim, Skye, Oluyede
- **Year 9:** Favour

### Looking Ahead: A New Chapter for the Library

We're thrilled to announce that the library is being refurbished and redecorated, and we can't wait to unveil the new space in the next academic year. Expect a fresh, welcoming environment designed to inspire reading, learning, and creativity.

Here's to another fantastic year of books and beyond!

Miss Sumsion

Librarian and Reading Champion

### Media

A select group of students were able to enjoy an Animation Day with illustrator and animator, Luke Newell. The students animated templates from Luke, made their own animations and used pencil, pen, clay and Lego to make animated frames as well as stop-motion animation.

Ms Coulson-West, who supported on the two-day workshop, said "I am having so much fun." Ms Harland, Head of Media Studies, said "I am very impressed with all the students; they showed such enthusiasm and creativity." Luke Newell has written books on illustration, including "Rhinos Can't Draw, But You Can!", he has worked for PlayStation

and illustrated books including the "Knights on Bikes" series and "Poo Through the Ages".

Ms Hall arranged the workshop and the staff involved on the day, as well as the students, want to thank her and Luke for this fun, exciting and learning-filled day.

Ms Harland  
Head of Media Studies

### **Business -My Experience at HSBC Canary Wharf**

I recently visited the HSBC building in Canary Wharf, and it was such an eye-opening experience. We took part in loads of fun and engaging activities that helped us learn more about careers in banking.

One of the first tasks was writing love letters to our favourite brands, which helped us understand branding. We also worked through a scenario where we had to give financial advice to someone unsure about spending wisely—it really showed how important financial responsibility is.

My favourite part was when we had to pitch an app idea like we were on *Dragons' Den*. We worked in teams, came up with creative ideas, and got advice from specialist employees at HSBC. It was fun, competitive, and made me think more creatively.

We also got to speak to people from different roles in the company, including a recent graduate, which helped me see that banking isn't just one type of job—it's way more varied than I thought. Everyone was friendly and open to our questions, which made the day feel relaxed even though we were in a professional setting.

As someone who isn't sure what career to go into, this experience really helped me think about new possibilities. I'd definitely recommend it to other students—it was interesting, fun, and gave us a proper look into the world of work." - Mia

### **Year 7 and 8 Borough Athletics**

Year 7 and 8 students represented Jo Richardson Community School on 20<sup>th</sup> June at the Barking and Dagenham Athletics Borough competition. Lots of success and medals from all the students, especially the Year 7 girls' team who came 3<sup>rd</sup> overall.

### **Year 9 and 10 Borough Athletics Competition**

Four gold, six silver and five bronze medals won after a very successful day at the Year 9 and 10 Borough Athletics competition. All students were amazing on an extremely hot day and their behaviour was fantastic! Well done to all those who took part.

### Essex Athletics Championships

Seven JRCS students were selected to represent Barking and Dagenham in the Essex Athletics Championships. All students did extremely well with Michelle in Year 7 winning a gold medal in 100m girls' race.

Students involved were

Anacleto – Year 11

Noah – Year 10

Teddy - -Year 9

Michelle - Year 7

Ardit - Year 7

Estelle Year 7

Jona – Year 7

Miss Bevan

Teacher of PE

### Year 9 Boys' Football Trials

On Wednesday 9<sup>th</sup> July, five of our Year 9 boys took a trip to Bobby Moore Hub in Parsloes Park to trial for the Barking and Dagenham district team. The event was done in the form of

a five-a-side tournament between all of the schools with both district and professional club scouts in attendance to select the talented boys they find.

After a long and strenuous tournament, the boys impressed and won silver! Just missing out on the gold by a margin.

Very proud of the boys for all their efforts and commitment!

Well done boys!

Mr Sengulay-Thomas  
Teacher of PE
